IMPORTANT INFORMATION ABOUT YOUR GP PRACTICE - YOU DO NOT NEED TO TAKE ANY ACTION

Dear Patient / Carer / Guardian,

RE: Stroudley Walk Health Centre and Merchant Street Practice merging from 1 July 2022

We are writing to you as a patient, carer or guardian registered at Stroudley Walk Health Centre/Merchant Street Practice to provide you with information about an exciting development between Stroudley Walk Health Centre and Merchant Street Practice (both located at 1A Wellington Way, E3 4NE).

Both practices will be merging as of 1 July 2022 and will be operating as a single GP practice under the name of Wellington Way Health Centre. Merging both practices will not affect the care you receive, as the same doctors, healthcare professionals and staff will still be part of the new merged team. This practice merger will enable the team to share resources and expertise better to provide seamless care to our patients.

Are there any changes that I need to be aware of?

There will be some changes to the practice contact details as a result of the merge from 1 July 2022. Please take note of the following:

- Practice name – The practice will be renamed to **‘Wellington Way Health Centre’**
- Telephone number – 020 8980 3676 (This is the current telephone number at Merchant Street Surgery)
- Website address – www.wellingtonway.nhs.uk
- Email – nelondon.wellingtonway@nhs.net

What does this mean for you as a patient?

You will continue to be registered as a patient with the practice. **There is no action for you to take.** The merger will not affect the care you receive and you will be able to continue to access all of the services we offer.

We will still be responsible for providing your care and we will be able to access your medical records up to and after both practices have merged.

Where can I access further information regarding the merger?

We have produced a Frequently Asked Questions (FAQ) document which can be found on the practice website at www.wellingtonway.nhs.uk. Paper copies are also available at the practice reception.

We will also be holding patient engagement events (face-to-face and virtual) on the following date and time(s) should you wish to join to find out more about the merger and ask any questions:
